# SUSTAINABLE

**PT Syakira Zainuddin Bumantara Group** is a forward-thinking Indonesian beauty company born from a vision to merge dermatological innovation with sustainable practices. Our debut brand, De Galéran Beauty, is the embodiment of this philosophy – offering high-end skincare rooted in research, ethics, and empowerment. Our core values lie in delivering performance-based products that not only rejuvenate the skin but also uplift communities. Every drop of our De Galéran Gem Matrix BI Phase Serum speaks of sophistication, featuring an elite blend of gemstone extracts, caviar essence, and science-backed actives. Designed by experienced dermatologists and scientists, it is tailored for individuals who seek visible results without compromising on ethical values.
